## Strengths

- Strong analytical skills with a methodical approach to testing.
- Proven ability to lead and manage QA processes within engineering teams.
- Excellent problem-solving capabilities and a proactive mindset.
- Creative skills in developing innovative solutions to enhance product quality

## Education

**Bachelor Degree in Computer Application (BCA)**  
**Islamiah College (Thiruvalluvar University)**

2016 – 2019 | Tamil Nadu, India

## Languages

English • Hindi • Tamil • Urdu

## Professional Experience

### Pixcom Technologies FZ LLC

#### Software Development Engineer in Test (On-site)

12-2023 – present | Dubai, UAE

- Developed and executed comprehensive test strategies for over **50 scalable PHP apps**, significantly improving product quality and user satisfaction.
- Led quality assurance initiatives, identifying and addressing potential risks to ensure high-quality feature releases for over **75 PHP apps**.
- Design, developed and tested **Customer Workflow PHP app** for **Nissan**
- Engineered an app with seamless **Sound Volume Controls** using precise UDP command adjustments for flawless performance.
- Improved and debugged apps, resulting in a **300% increase in client sales and satisfaction**.
- Collaborated with cross-functional teams to provide **innovative solutions** to engineering challenges.

### Deloitte Consulting India Pvt Ltd

#### SAP Fiori (UI5) Developer and Tester

05-2021 – 07-2023 | Bengaluru, India

- Designed and tested Fiori apps, playing a key role in delivering high-quality software through **extensive testing and debugging**.
- Engaged in **performance and stress testing** for critical apps, ensuring optimal functionality and user experience.
- Contributed to the development, testing and enhancement of over **145 Fiori apps**, managing defects and improvements through effective communication with technical stakeholders.
- Played a **key role in the HPE NGIT** project, contributing to both ABAP and Fiori, delivering **50** objects across **10** releases, addressing over **30** defect and **14** enhancement requests, along with **22** incidents and custom development.
- Supported cross-release defect remediation and implemented quality metrics to measure testing effectiveness.

### Novatium Solutions Pvt Ltd

#### Android App Developer and Tester (On-site)

02-2020 – 06-2020

- Developed and tested Android apps using Java, ensuring robust functionality and user experience through **rigorous QA** practices.

## Skills

### Testing and QA:

- Unit, Functional, Usability, Compatibility, Performance, DB, Interface, Regression, White Box, Black Box, Agile, Automation, HP ALM

### Programming Languages and Frameworks:

- PHP, JavaScript (ES3+), SQL, SAP UI5/Fiori, HTML5, CSS, XML, Python, Java, C, C++.

### Tools and Platforms:

- JIRA, Postman, Chrome DevTools, SAP Logon, CI/CD, MS Office, Linux

### Development Tools and IDEs:

- VS Code, SAP WebIDE, Git, BAS for Dev IDE, Eclipse IDE

## Awards

### Outstanding & Spot Award, Deloitte

Recognized for exceptional performance in quality assurance and project delivery.

## Certificates

**SAP UI5/Fiori:** Completed two courses with 20 hours of focused learning on UI5/Fiori development and testing
